Do you like Hanseo?

Who is Hanseo?

The one who is dating
Nayoung

I don't know I mean,
they must be dating
because he always
comes to pick her up

Why did Jung Jong
Shil ask for Nayoung's
boyfriend number?

Oh

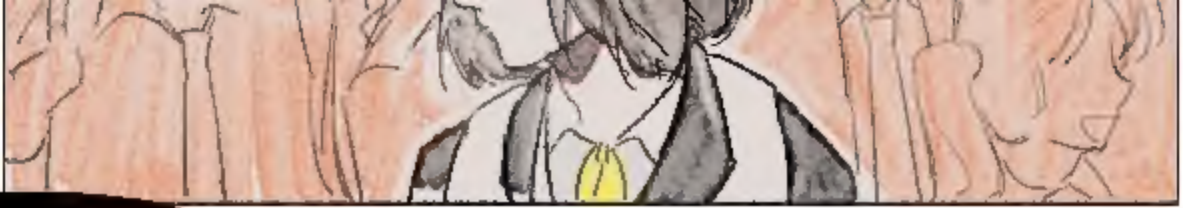

She must
like him

Hey, what
happened?

But Lee Na Young is single

They said, Jung Jong Shil likes
Lee Na Young's boyfriend

You know, the one who always
comes to pick her up

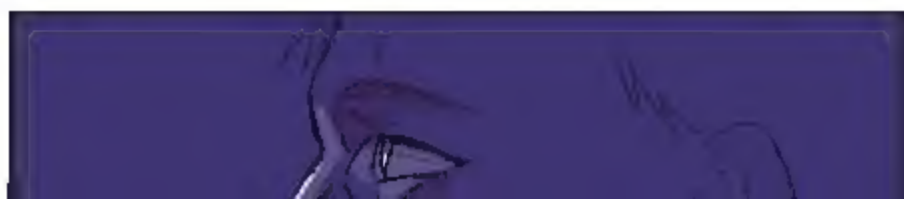

Mind your
own
business

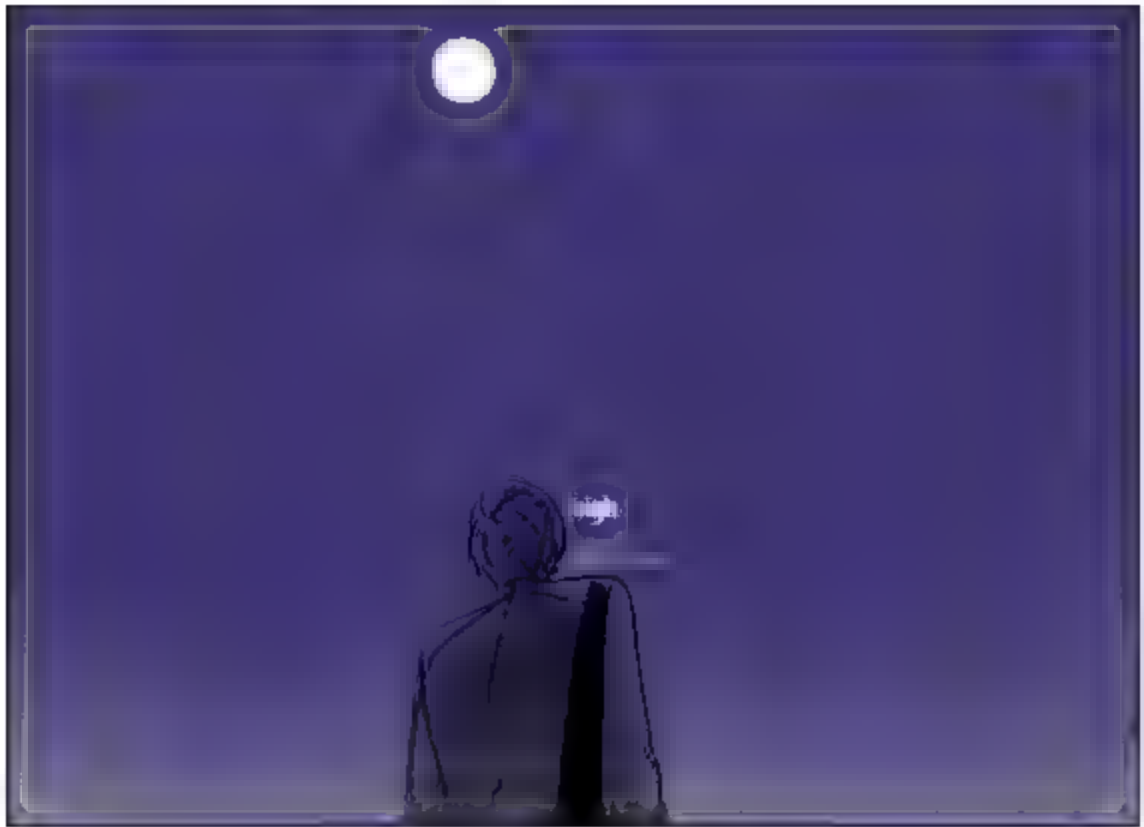

They are childhood
friends

I bet they're dating

No

you're this confident in front of your classmates

But you don't have any courage
to ask him?

Or you can't do anything by yourself
that you have to do it in front of
the others to pressure me?

Do you think Lee Nn Young has been
arrogant for just a day or two?

Hey, she's
strong

What a harsh
criticism

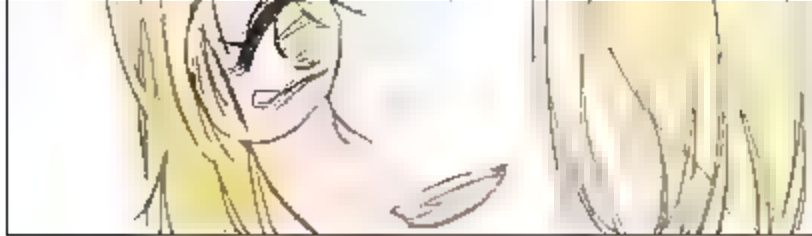

If they're not even dating,
what's wrong if she just
gives his number?

She's really rude
...

Don't be
discouraged

She just talked
without thinking

I'm okay...

What should
we do? Jongsil
is crying.

Oh my!
How are you going to live
if you're this weak?

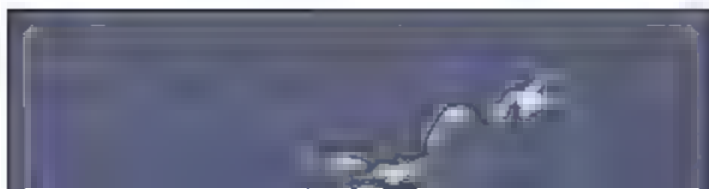

It's alright
It's alright

When will she
fix her attitude?

Do you have
tissue?

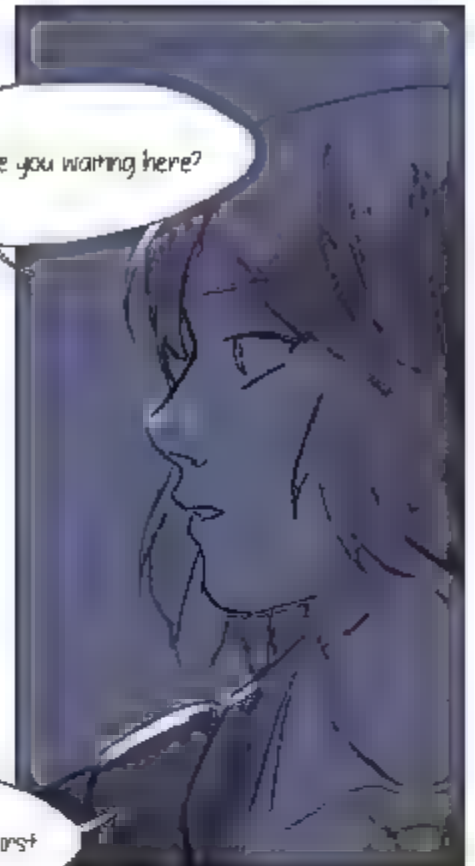

She cried
because of
Lee Na Young

Bring it on
Lee Na Young

Why are you waiting here?

I thought you were going first

Because your class is noisy

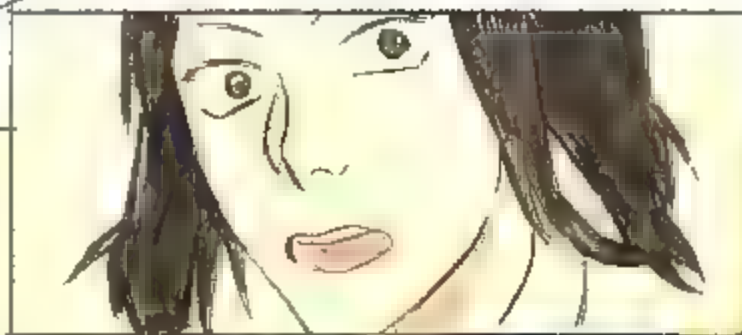

Let's go home

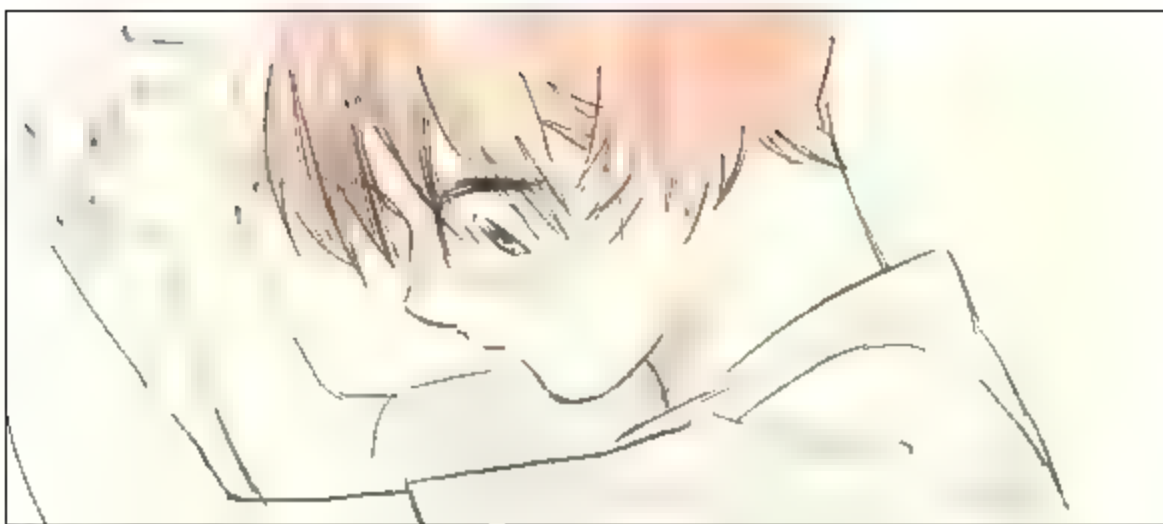

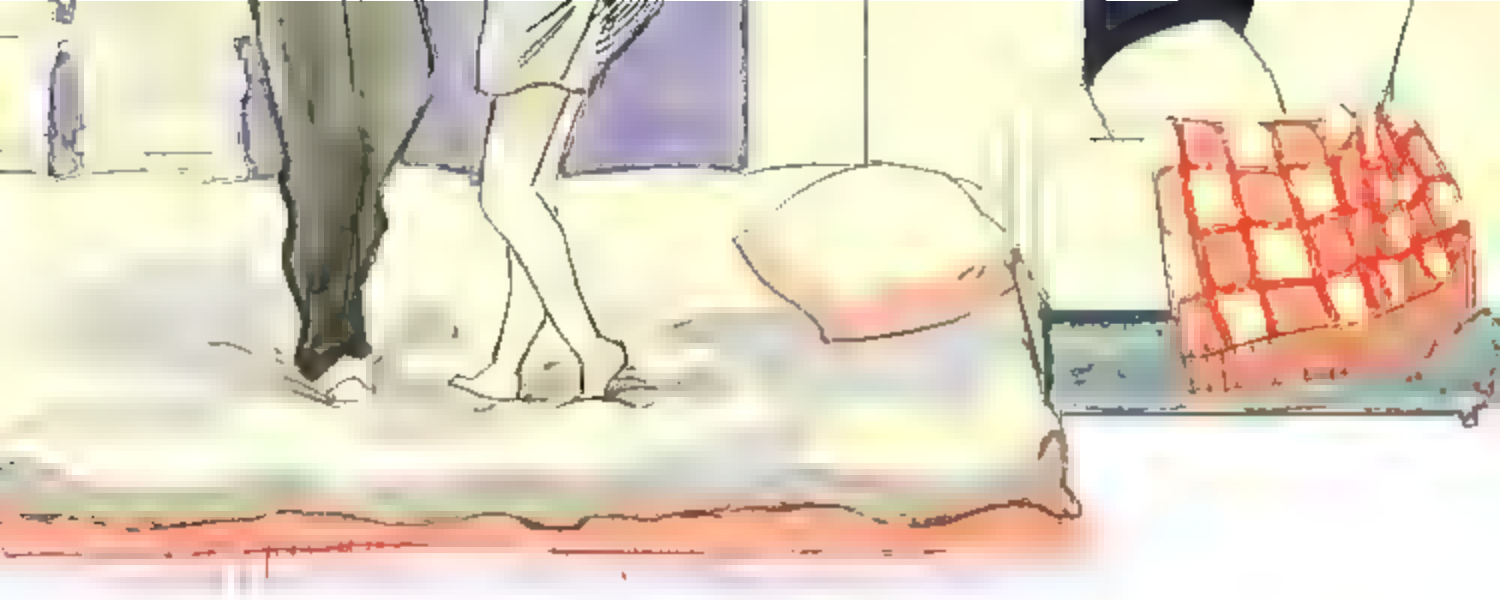

Did you go to my class?

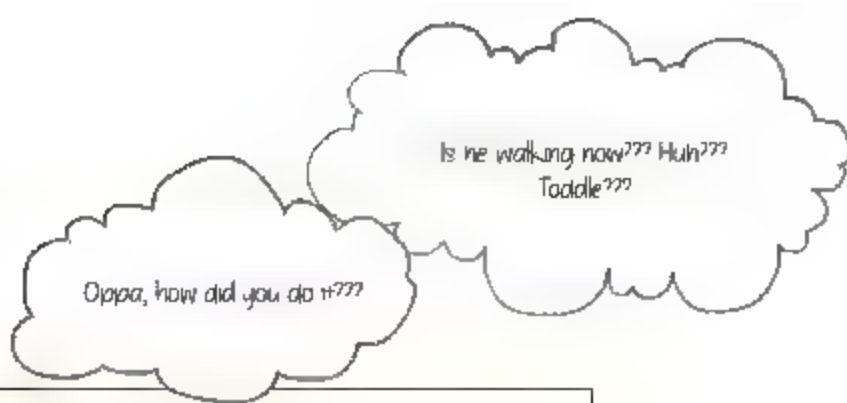

You should just go
Why did you have to
wait for me?

It's dangerous if you're alone

ah, why did I feel like this?

(aaaaarrghhh!!!)

Why are you so cute?!!

What would you like to be
when you grow up?

You're so cute!!!

He can even talk soon

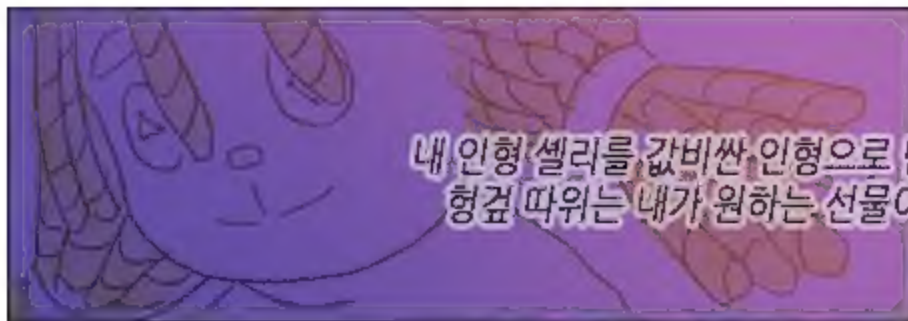

Let's read him books
from today!!

Fairy tale books
or anything

The girl cried sadly on the rooftop where the moonlight came in. The blue fairy appeared after hearing her cry and said: "Why are you crying? I hope you'll be happy"

내 인형 셸리를 값비싼 인형으로 만들어줘
형꺈 따위는 내가 원하는 선물이 아냐

Make my doll Shelly an expensive doll
A piece of cloth is not a gift I want.

너의 소원을 들어줄게 I'll grant your wish
